# ROB'S RUN

## TYLER-FOOTE CROSSING TO ALLEGHANY

**Saturday, May 17, 2008, TYLER-FOOTE CROSSING TO ALLEGHANY.** Follow an unusual, single lane shelf road as it descends and crosses the Middle Yuba River. The former stagecoach route is constructed with near-vertical stone wall hand built by Italian stone masons over 90 years ago. Lunch in Alleghany, an 1850 gold mining town that still has active mining today. We will return via Plumbago Mine and Malakoff Diggins State Historic Park. See the effects of hydraulic mining and the restored mining town of North Bloomfield. Suitable for all 4x4 vehicles with front and/or rear attachment points.

This run is limited to 20 vehicles. A CB or walkie-talkie will greatly enhance the enjoyment of this run. Confirmation of registration will be sent by mail. Driver's meeting will be at 8:00 AM in Auburn. Deadline for registration is May 10, 2008.
